Admission to Official List

Manalton International Ltd (FNSX: MTL) is pleased to announce its admission to the official list of the First Nations Stock Exchange. This move will provide liquidity and price discovery ahead of further international activities and expansion. Listing will also provide the opportunity for further debt and equity raising if required as part of the global refocus on MTL.

Director Qi Cao has stated that the listing on FNSX official list “brings a welcome opportunity for members in both the creation of a liquid trading environment and in the growth opportunity presented by creation of opportunity between Australia and the much larger United States market.”

MTL invites all members to commence their onboarding process with FNSX’s inbuilt stockbroking software.
